# 01 – CANCELLATION (COURT FEE)

For private lessons, there are two ways to confirm your lessons with your coach.

## 1. Securing Court on a monthly basis

Coach will check with students if they would like them to secure the court bookings for lessons on a monthly basis (e.g. 4-5 weeks in advance). TAG Tennis has the privilege to help our students to secure court for their lessons way in advance without any advance booking surcharge fee incurred.

However, please note that once we confirm the court booking for your lessons, you shall pay the **full court fee** for any confirmed lessons cancelled by the student for whatever reason. Coach will bear the court fee if lesson is cancelled by the coach.

## 2. Securing your court on a weekly basis

You can also consider confirming lessons with your coach on a weekly basis.

However, there is a chance that for certain weeks the court is no longer available.

This means there is a possibility your regular lesson with coach might get disrupted.

# 01 – CANCELLATION (COURT FEE)

Court fees for lesson cancellations are as follows:

1. **Winchester Tennis Arena - Weekdays** (Monday to Friday): **\$35**
2. **Winchester Tennis Arena - Weekends** (Saturday and Sunday): **\$40**

# 01 – CANCELLATION (LESSON FEE)

**If it rains within 30 minutes into the lessons:**

The lesson will be cancelled and postponed

**If it rains any point in time after 30 minutes into the lessons:**

The full lesson will be charged

# 03 – VALIDITY OF VOUCHERS
